TO COS, []

INFO Washington

FROM LINCOLN

SUBJECT { GENERAL
SPECIFIC } Operational Matters
Intelligence Guatemalan Affairs

1. It is requested again that you make every effort possible to obtain any information which [] for the offices of [] [], may have regarding the position of the Guatemalan government. We are particularly interested in learning how much the Guatemalan government knows of PBSUCCESS and what moves are proposed to counteract opposition plans.

2. [] probably has agents who are either in Guatemala or who have contacts therein. It is suggested that you approach him personally with a request that he furnish any information he may have on this matter. It is also possible that he may have picked up some information during []

3. This matter is of primary importance, and should be given your immediate attention. Any information obtained should be cabled to LINCOLN and Headquarters.
